The forecasters say that it should warm up this afternoon with most locations in our area in the mid-to-upper 60's. A few clouds may move in from the south tonight, preventing temperatures from dropping so low tomorrow morning. A calm weather pattern ushers in this weekend and next week. Saturday look for highs in the Central Texas area in the lower 70's. A dry cool front moves through on Sunday morning, bringing gusty north winds during the day on Sunday.

**Today:** Sunny skies and a high temperature near 67°. There will be light easterly breezes this afternoon.

**Tonight:** Mostly clear and a low near 40°. Wind will be calm.

**Saturday:** Sunny with a high temperature near 73°. Winds will be S at 5-10 mph.

**Saturday night:** Look for mostly clear skies with a low near 47°, and light S wind shifting W in the night.

**Sunday:** Sunny with a high near 67°. The wind will be gusty from the north at 10-15 mph with possible gusts as high as 25 mph.

### What's Goin' on?

## The Amazing Badgers!

### Trunk or Treating!

**The Amazing Lampasas Badgers Varsity Football** team (6-0/3-0) will be traveling to Canyon Lake (4-4/2-1) this afternoon. The Hilltop Newspaper of Canyon Lake offered this: "Whitehead will be, a pick your poison quarterback that will beat you by his arm or legs. Averaging 162 passing yards and 118 yards by rushing for a combined, 280 yards per game this season. Need a punter or kicker? Whitehead is your go to player.

On the ground game, Lampasas has Senior Jack Jerome as their leading rusher by 11 yards over Whitehead.

Michael Murray (26 catches for 400 yards) and Lane Haviland (27 catches for 386 yards) are the go to receivers giving the Hawk defense 4 legit weapons on any given play from the Badgers. It might be the Badger's defense that could be the biggest hurdle in this game. Of the 6 teams the Badgers have faced, 4 could not reach 20 points against the Badgers. The other two were Brownwood, losing 55-23 to the Badgers, and a 57-28 win against Wimberley.

For those who can't make it to the game or did not get tickets, you can follow the play by play on KACQ 101.9 and KCYL 1450am with Darrell and Kenny. Or you can go to [lampasasradio.com/listen](http://lampasasradio.com/listen) live and hear the stream. There is a YouTube link on the Lampasas ISD webpage.

# \$10,000 Reward for Arsonist

Burnet officials are asking for the public's help identifying the person or persons responsible for multiple structure fires in and around the city and county.

The Burnet City Council set a \$10,000 reward during its regular meeting Tuesday, Oct. 27, for information leading to the arrest of a possible serial arsonist who has been setting the fires across Burnet County, and a few in Lampasas County, since the spring.

"This individual is very active, acting about every four to five days," said Burnet Interim Police Chief Sid Fuller.

The resolution describes several fires as suspicious and others officially designated as arson. This includes three cases in the city of Burnet proper as well as multiple in Burnet County. At present, there are no witnesses.

# Coronavirus Update

**Dr. Hay** reached out to Lampasas Radio this morning, and Lampasas County is up to 416 cases, 17 active, and 2 county residents hospitalized. The State of Texas reported 6,430 new cases and 5,587 Texans are hospitalized for the Coronavirus.

According to the Texas Tribune, El Paso has seen daily case counts that exceed 1,000 new infections, and El Paso County Judge Ricardo Samaniego ordered a two-week shutdown Thursday of nonessential businesses in this border area to help curb the record-breaking rise of COVID-19 cases that have overwhelmed hospitals. But Texas Attorney General Ken Paxton's office swiftly challenged the judge's ability to issue the shutdown, setting up a potential legal battle.
