Badgers Beat Hawks in Nip & Tuck Contest

Most Badger fans had been used to the generally whole game domination by their Badgers...but this one was different. The Canyon Lake Hawks brought their slot-T offense to the field and the Badgers just had a hard time stopping it.

The game started in a typical way with Ace Whitehead throwing a 34 yard pass to Lane Haviland for a TD. After the PAT it was 7-0, but that quickly changed as the Hawks came back with a pass completion for a TD themselves. Soon it was 7-7. Canyon Lake did it again, this time on a rush, but they missed the PAT and it's 13-7 Hawks. The Hawks rushed for two points and it's 15-7, but Ace Whitehead came back with a huge long pass to Michael Murray for a TD. After a missed PAT it was still 15-13 Hawks. And the offenses continued both ways until the Badgers came back again until halftime when it was a 20-20 deadlock.

The second half saw the scores swap into the last quarter with the 4th period starting off with Lampasas ahead 34-27. Canyon Lake came back to tie it again at 34-34. With 9 minutes left in the game Ace threw again to Michael Murray for a TD. The PAT kick bounced off the goal post and it was still 40-34 Lampasas. From that point on it was strong defense and a lot of good luck for the Badgers.

They finished it 40-34 and are still undefeated and district leaders going into the last regular season game against Fredericksburg next week in Lampasas.

Happy Halloween!

As you know, today is the day of doorbell-ringing chaos, little kids dressed in cute costumes, and lots and lots of candy. However, this year has of course brought many changes, and this year we'll be celebrating a little differently.

While it is important to stay safe, there is no way to completely eliminate exposure if you're planning on going trick-or-treating. That being said, Police Chief Sammy Bailey says that trick-or-treating will be allowed, but citizens are asked to follow all COVID-19 precautions, and to take personal responsibility by not going out if you are sick, and please don't ring doorbells or knock on doors.

Several local businesses are offering different treats for the spooky holiday. Sonic will be having \$.50 corny dogs and \$.50 ice cream dishes. The Cherry on Top will be serving free itty bitty cones for the little ones; adults in costume can get one too!

The Blotter

The Lampasas Police Department blotter for Friday shows a structure fire reported in the 1400 block of S Willis St at 7:54 AM. Later on in the afternoon, suspicious activity was reported in the 2300 block of Deer Trail at 12:44PM. Then, further into the evening, a reckless driver was reported at 5:35 PM in the 1700 block of E Central Texas Expressway, followed very closely by a suspicious vehicle at 5:46 PM, reported in the 600 block of W 1st St at 5:46 PM.

Two minor accidents on Friday as well, one in the 400 block of S Pecan at 4:40 pm, and there were no injuries reported. The second accident took place in the 2300 block of US Hwy 281 at 7:10, also with no reported injuries.

Moreno caught 1 for 8 yards.

Rushing yards came from Jack Jerome with 16 carries for 102 yards and a TD. Ace Whitehead carried 11 times for 42 yards and Ethan Moreno ran once for 2 yards.

Next Friday the Badgers will meet Fredericksburg in the last regular season district game. Fredericksburg was thought to be near the top of the heap before the season began, and they looked good in pre-district games, but since then it has been a rough go for the Billies as they are 1-3 in district, in the lower half of the pack standings. That said, they slayed Taylor last night and they have QB Cole Immel that, last time we looked, had thrown for more yards than anyone else in the district. He is also a leading rusher on the team.

Around the District and Area

Here's what happened last night in our district's conference action.

Lampasas is 7-0 overall, 4-0 in district, after a 40-34 barn-burner win over Canyon Lake.

Fredericksburg is 5-4 overall, 1-3 in district, after a win over Taylor, 55-13 last night.

Burnet is 4-4 overall, 1-2 in district, after losing to LBJ Austin 10-18 last night.

Canyon Lake is 3-4 overall, 2-2 in district, after the close loss to Lampasas last night.

Taylor lost again, making them 0-8 overall and 0-3 in district after losing to Fredericksburg last night.

LBJ Austin is 4-2 overall, 3-1 in district, after their win over Burnet 18-10 last night.

The Lometa Hornets met the better team last night as the Jonesboro boys came up with the district championship win over the Hornets in a 56-12 rout last night in Lometa. The Hornets finish the district's regular season with a 7-2 overall record and runner-up in district.

San Saba's Armadillos are 4-0 in district after beating Coleman 43-10 last night. It looked close at 7-3 at the end of the 1st quarter, then San Saba began to move. Early in the 2nd it was 14-3 and at half-time the dillos were ahead 17-3. They kept up the pressure until the end and final 43-10 finish.

That leaves San Saba and Cisco tied at 4-0 and headed for the final district championship showdown game next Friday in San Saba.

Turn Back Your Clocks!

If you ever wonder where in the world daylight saving time came from, you can thank George Hudson. In 1895, George Hudson, an entomologist from New Zealand, came up with the modern concept of daylight saving time. He proposed a two-hour time shift so he'd have more after-work hours of sunshine to go bug hunting in the summer. It technically wasn't accepted and acknowledged as a real thing until 1916, by the Germans. Soon other countries followed, with the U.S. instituting daylight savings in 1918. This has been an annual event since this time. Tomorrow will mark the end of daylight savings time, thus allowing you to turn your clocks back one hour.

Sports

Coach Troy Rogers' unbeaten Badgers cinch District Championship in game number

The Badgers 40-34 win on the scoreboard last night saw them with 502 yards total offense against Canyon Lakes' 492. Much like the score, it was close.

The Badgers passing yards were 356, the Hawks 153. The Badgers rushing yards were 146, the Hawks 339.

Badger passing by Ace Whitehead was 11 of 17 for 5 TDs but with 1 reception. On the receiving end of the passes was Michael Murray - 6 catches for 219 yards and 2 TDs. Lane Haviland caught 3 for 110 yards and 2 TDs, and Cade White got 1 for 19 yards and a TD. Ethan
