Lampasas ISD School Board

The School Board approved the following on November 1, 2021: Minutes of School Board Meeting on October 4, 2021, Budget Amendment, Quarterly Investment Report, Annual Investment Report, Notice of Resignation of Professional Personnel, Public Notice that Lampasas ISD Uses Internet Filtering, Change of January Board Meeting Date to January 10, 2022, and Request for Maximum Class Size Exception Waiver.

School attendance numbers have improved since the beginning of the school year. The option of an off-campus lunch once a semester will be available to students in good academic standing.

At the Lampasas High School, an Intervention program has been implemented to help with Closing the Gap. The program will be more structured this year and students who fail the STAAR test will be required to complete 30 hours of acceleration work per class. Summer School will be lengthened and formatted differently this year. There has been a new attendance plan implemented for Truancy and Clock Hours as well as a Saturday School. The High School has established a Campus Wide Writing Initiative which requires students to spend a specified time per week practicing writing in different genres to improve upon their writing and focuses on properly structuring sentences. And Early College Prep Math and English Program for CCMR Certification has also been implemented.

OnRamps courses are dual enrollment with the Lampasas High School and University of Texas which offers students the ability to earn college credits while still in High School. Onramps Courses now include OnRamps Stats, OnRamps Biology, OnRamps Chemistry, and OnRamps U.S. History. Character Wednesdays are held every other Wednesday and allow for figures in the community to discuss issues and leadership with the student population. Lampasas High School would have scored and 88, or B+ ranking, had the Accountability Rating taken place.
