## Visit with the City Manager

Finley de Graffenreid, Lampasas City Manager, visited the Lampasas Radio Studios this morning for his weekly visit with Ronnie Witcher.

Of course, they spoke about the election yesterday, with 2400 votes cast in the city election, where normally closer to 800 people had voted. Mr. de Graffenreid said it was a great turnout for a small community.

The new member of City Council, Bob Goodart and Gordon Nelson will begin serving after the votes are canvassed, probably in November.

As far as city projects, the brush chipping program is going on, as well as continuing work on W. Ave E. The crews need to adjust some manholes, then paving will begin.

City Council meets on Monday, and one of the main items on the agenda will be obtaining a new radio system for first responders/law enforcement. Also to be discussed at the next meeting are the specifications for new equipment purchases for the city.

## New Traffic Lights at FM 2808 & Hwy 190

From TxDOT: Beginning the week of November 9<sup>th</sup> the Texas Department of Transportation's (TxDOT) Brownwood District will install a new traffic signal at the intersection of US 190 and FM 2808 near Kempner. In addition to the new signals, TxDOT's contractor Texas Materials Group, Inc. of Cedar Park, will also construct an acceleration lane on the east end of the intersection and a deceleration lane on the west end of the intersection. The signal is being placed due to an increased amount of traffic entering US 190 from FM 2808. The presence of the new signals will provide motorists additional safety turning from or onto FM 2808. The acceleration/deceleration lanes will also allow for a safer transition when entering or exiting US 190.
