## Badgers Head to the Playoffs

The Lampasas Badgers (5-5/3-2) head to Kerrville to take on the Pleasanton Eagles tonight with kickoff at 7pm. Pleasanton (7-3/2-2) is coming off a win over La Vernia last Friday 24-20. Coach Rogers shared this morning on the Coaches Show that Pleasanton has a good team with explosive players. They tend to spread the offense 50% running and 50% passing. Their quarterback has 132 completions out of 198 attempts and 1961 yards. And, evidently he can scramble with 35 carries for 188 yards.

The Badgers, according to Coach Rogers had a good week in practice and everyone is back playing. Coach said they looked good in practice and we hope to see that tonight. Pleasanton is aggressive and the Badgers need to be ready. **KCYL 1450AM** will be broadcasting the game in its entirety starting with the pre game show before kickoff at 7pm. The Lampasas Radio broadcast team of Darrell and Kenny will bring you the play by play. Be sure to tune in and keep up with all the Badger action!

## Carter BloodCare Drive

In recognition of Veterans Day Nov. 11, Carter BloodCare encourages blood donors to give in November in honor and support of U.S. military veterans and active duty service members. This month is also a time to donate blood in gratitude for good health.

To boost the ongoing mission of keeping a safe and sufficient blood supply on hand, Oil States Rubber is hosting a blood drive from 6 a.m. to 10 a.m. Thursday, Nov. 18, at 1720 CTE in the parking lot on the Carter BloodCare bus. For more information or to schedule an appointment, contact Mary Ann Nerio at (512) 556-5471, extension 16104.

Donors can complete the medical history questionnaire online on the day of donation, before arriving to give blood. People who have had COVID-19 vaccinations are still eligible to donate blood.

Carter BloodCare staff and unvaccinated donors are required to wear facial coverings at blood drives or donation centers, except when temperature is taken during screening, or when eating and drinking after the donation. Vaccinated donors are strongly encouraged to continue wearing masks. Carter BloodCare will comply with required mask mandates, as applicable.

Potential blood donors may volunteer at age 16 with parental consent; 17-year-olds can give independently and there is no upper age limit. For more information on donor eligibility and to make an appointment, call/text 800-366-2834 or visit [CarterBloodCare.org](http://CarterBloodCare.org).

## Mask Mandates

(Texas Tribune) A federal judge ruled Wednesday that Gov. Greg Abbott's executive order prohibiting mask mandates in schools violates the Americans with Disabilities Act — freeing local officials to again create their own rules.

The order comes after a months long legal dispute between parents, a disability rights organization and Texas officials over whether the state was violating the 1990 law, known as the ADA, by not allowing school districts to require masks. U.S. District Judge Lee Yeakel barred Attorney General Ken Paxton from enforcing Abbott's order.

"The spread of COVID-19 poses an even greater risk for children

with special health needs," Yeakel said. "Children with certain underlying conditions who contract COVID-19 are more likely to experience severe acute biological effects and to require admission to a hospital and the hospital's intensive-care unit."

The judge said the governor's order impedes children with disabilities from the benefits of public schools' programs, services and activities to which they are entitled.

The advocacy group, Disability Rights Texas, filed the federal lawsuit on behalf of several Texan families in late August against Abbott, Paxton and Texas Education Agency Commissioner Mike Morath. It states that the governor's order and the TEA's enforcement of it deny children with disabilities access to public education as they are at high risk of illness and death from the virus.

The TEA, Paxton and Abbott did not immediately respond to a request for comment. But later Wednesday, Paxton tweeted that he disagreed with the decision.

"My Agency is considering all legal avenues to challenge this decision," Paxton said in the tweet.

A recent University of Texas/Texas Tribune poll showed that 57% of voters support mask requirements in indoor public spaces based on local conditions, while 58% support mask requirements for students and staff in public schools. Forty percent oppose the requirements at indoor public places and 39% oppose the requirements at schools.
