## Farm Bill Meeting in San Saba

The Texas A&M AgriLife

Extension Service has scheduled a Farm Bill meeting in San Saba on Dec. 4. The event will start at 8 a.m. at the San Saba Civic Center in Mill Pond Park at 1007 E. Wallace St.

"The focus of the meeting will be updating program yields and choosing between Agricultural Risk Coverage, ARC, and Price Loss Coverage, PLC," said event speaker Bill Thompson, AgriLife Extension economist, San Angelo. "The yield update process will use crop yields from 2013 through 2017, which gets us away from the drought-affected yields of 2010 and 2011. This is critical because a higher yield is always better."

Both the ARC and PLC programs have been revised from the 2014 bill. Those changes will be discussed and the online decision aid developed by the Texas A&M University Agriculture and Food Policy Center, AFPC, will also be demonstrated.

"There are several decisions that producers will soon have to make when signing up for programs," said Neal Alexander, AgriLife Extension agent for San Saba County. "I hope everyone takes advantage of this free meeting to come learn more about the farm bill, the AFPC tool and to ask questions. This is the time to prepare yourself before you have to make those important decisions."

Thompson will also review conservation titles, administrative adjustments to reference prices, commodity loan rates and payment limits.

## Sports

### Football

**Lampasas Badgers (10-1) are Bi-district Champs and headed to the Area game on Friday.**

Here is where the competition begins to get tougher!

As of this morning we note that CBS-MaxPreps web site has Lampasas standing in Division 4A-1 at number 11. Lampasas opponent for the Area game, Gonzales (9-2), is listed as number 16.

The AP/Texas Football polls were not available this morning to see where they have the teams ranked.

The game, to be played on Friday in Pflugerville at Pfield, will see high scoring and most of it in the air Lampasas pitted against typically lower scoring and mostly running team Gonzales. The common factor between the two teams is that they both have excellent quarterbacks that both run very well. It should be a great game.

### **Other district 14 teams:**

Fredericksburg is out after losing to El Campo 20-14

Canyon Lake is out, losing to Needville 40-33.

Liberty Hill beat West 44-8 and goes on to play La Feria this week in an Area game.

### Basketball

#### **Badger Basketball**

### Middle School Basketball

**Badger Middle School Boys** will be hosting the teams from Burnet Middle School Thursday with games starting at 5pm.

**Badger Middle School Girls** will be on the road in Burnet to take on Burnet Middle School with games tipping off at 5pm.

### San Saba Football
