Commissioners' Court Notes

The Lampasas County Commissioners yesterday adopted the following rules for outdoor burning; You must notify the Lampasas County sheriff's office before any burning, you can't burn after dark (one hour after sunrise to one hour before sunset). Make sure a responsible person is with the burn at all times with some way to control the burn, and make sure the means of control is directly related to the size of the burn. You can't burn if the wind will be more than 15 mph during the burn and you can only burn brush, trimmings, untreated wood or paper products only. Anything else must not be burned. You must conduct the burn at least 300 feet from any structure containing sensitive receptors located on adjacent properties unless prior written approval is obtained from the adjacent occupant. For the complete list of burning restrictions go to the Lampasas county homepage.

The Lampasas county commissioners' court yesterday also signed an order prohibiting and restricting any fireworks classified as "skyrockets with sticks" or missiles with fins in any unincorporated areas of Lampasas County. Violating this order could be a class c misdemeanor.
