The Weather

The High yesterday 51° The Low this morning 32°

The cooler and drier airmass brought overnight temperatures down near freezing this morning, and the north winds are expected to continue through the morning diminishing through the afternoon. The abundant sunshine will allow temperatures to reach into the upper 40's and low 50's in our area today, however temperatures tonight are expected to be in the 20's. The next cold front headed our way will clear our area sometime Wednesday morning. Thursday will be the coldest day with accompanying blustery winds.

Today: Look for sunny skies and a high temperature near 53°. Winds will be N-NW at 5-15 mph.

Tonight: Mostly clear and a cold night with the low temperature near 27°. Winds will be light from the SW.

Tuesday Sunny with a high near 59°. The wind will be SW at 5-15 mph with possible gusts of 25 mph.

Tuesday Night: Mostly clear skies with a low near 38°. Winds will be S at 5-15mph shifting W in the night. Wind could gust up to 20 mph.

Wednesday: Sunny with a high near 54°. Winds will be from the N-NW at 5-15 mph gusting as high as 25 mph. shifting to the E-NE in the afternoon.

Wednesday Night: Mostly clear with a low near 31°, and the N-NW wind continues near 10 mph gusting to 20 mph.

Toy Drive in Full Swing

Lampasas Fire Chief Jeff Smith visited the Lampasas Radio Studios this morning to talk about their annual toy drive. The Lampasas Fire Dept is asking for new toys, bicycles, or monetary donations. These can be dropped off at the fire station at 1107 E. 4th St. until December 17th. Chief Smith said they will not turn away late donations.

Residents needing toys for their children should go to one of the local churches for the forms, and then keep the card with the corresponding number for toy pick up. Toy pick-up will be December 19th from 7am-noon.

For questions please call the Lampasas Fire Dept. at 512.556.3446.

High School Going Remote This Week.

As most have heard, Lampasas High School will be conducting remote-only classes through this week. Lampasas Radio confirmed that the high school will have no practices or games during this time. Sports for the other campuses remain as scheduled. Students are urged to contact teachers daily so they don't fall behind in their studies.

Dr. Rascoe shared this with Lampasas Radio:

"We are working closely with our health authority daily monitoring the spread of the virus on each campus and within our community. Our high school campus experienced a significant increase in active cases recently, both students (12) and staff (11), that exceeded a 2% overall threshold that had been established for any campus at the beginning of the year. We hope to make a decision on next week's status of the high school by this coming Friday once we have more information on the status of the spread of the virus on the campus. Right now, our other campuses are proceeding with normal operations due to the active cases being lower and well below the established threshold.

Coronavirus Update

Dr. Hay shared with Lampasas Radio this morning that the County now has 574 total cases with 49 active cases, and 1 county resident in the hospital. The State of Texas saw 6,041 new cases yesterday and 8,634 Texans are hospitalized with Covid-19.

Lampasas ISD as of 11/27/2020 is reporting the following cases; Hanna Springs Elementary- 2 active/4 recovered students and 3 active/3 recovered staff. Kline Whitis Elementary shows 0 active/2 recovered students and 0 active/recovered staff. Taylor Creek Elementary-0 active/recovered students and 1 active/2 recovered staff. Lampasas Middle School shows 4 active/2 recovered students and 0 active/1 recovered staff. Lampasas High School reports 12 active/24 recovered students and 11 active 2 recovered staff

Pets, Plants, People & Pipes

The National Weather Service is predicting a widespread freeze tonight with temperatures droppings into the 20's.

People; remember to dress in layers, wear a hat & gloves, and please check on those that are sensitive to cold weather.

Pets: Please bring the fur babies in, or provide a heated shelter.

Plants: cover the plants that are sensitive to cold. **Pipes:**

Cover pipes, or allow them to drip to prevent freezing.

And one more: practice fire safety! Be safe when using space heaters and keep an eye on any heating device.

Sports

Badger Sports

Due to the remote only learning this week, all practices and games have been postponed or cancelled for Lampasas High School.

Lampasas Middle School

Lampasas Middle School basketball will host Taylor with games beginning at 5pm. The Lampasas Middle School Girls will travel to Taylor with games beginning at 5pm.

5 "P'S OF COLD WEATHER SAFETY

WHEN COLD WEATHER IS IN THE FORECAST, REMEMBER THE "5 P'S OF COLD WEATHER SAFETY".

1. PROTECT PEOPLE

Remember to dress in layers and wear hat and gloves. It's important to try to stay out of the wind and to stay dry. Also, remember to check on young children and the elderly who are the most sensitive to cold weather.

2. PROTECT PETS

If cold weather is in the forecast, be sure to bring outdoor pets inside or give them a warm shelter to stay in.

3. PROTECT PLANTS

Cover cold sensitive plants to protect them from the dangerous temperatures.

4. PROTECT PIPES

Cover pipes and allow outdoor faucets to slowly drip to prevent from freezing and breaking.

5. PRACTICE FIRE SAFETY

Use safe heating sources indoors. Do not use fuel-burning devices such as grills; they release carbon monoxide, which is a deadly gas. Also, make sure to use space heaters according to their instructions and be attentive to open flames.
