## Commissioners Meeting

The Lampasas County Commissioners held their regular scheduled meeting yesterday at 9am at the Lampasas County Courthouse.

The consent agenda was accepted as presented. No public comments were made.

Approved were revisions to the county utility installation permit procedures. The commissioners are now allowed to make decisions concerning bores being made to the roads in their respective precincts. The Commissioners will no longer have to present these to the County Commissioners Court.

There was discussion on creating a position for grounds and preventative maintenance for the new jail. This position is to include the grounds around the Courthouse, the Annex Building and the Old Jail. There was discussion on using a trustee for the position. Commissioner Bobby Carol stated "if we hire a person to watch someone do the job, might as well just hire someone to do the job." The commissioners will be going over funds to create and provide tools for the maintenance job. After cost is determined, they will take applications and conduct interviews. Ultimately, the motion to create a grounds maintenance position was approved. This will be discussed more in January.

## Vision Lampasas Recognized

The Lampasas City Council presented Vision Lampasas with a "Certificate of Appreciation" last night at the Lampasas City Council meeting. The award was presented in recognition of all of the hard work the Vision Lampasas has done in our community.

Mayor Misty Talbert presented the award and made the following statement speaking about the work Vision Lampasas has done: "Enhancing is an understatement, in many ways they are actually responsible for the charm Lampasas is known for. This volunteer organization is responsible for co-hosting events such as Casino Night, and The Texas 4000 Atlas Bike Ride. Vision Lampasas also hosts The Indian Artifact and Gem Show, Squared Silly, Christmas on the Creek and The Carol of Lights, and of course those 13 incredible murals the we are famous for. That is all Vision Lampasas. I don't dare imagine what Lampasas would be without this group of hard working volunteers and their Visions." Congratulations Vision Lampasas keep doing what you're doing!
