The Weather

The cold front is expected to be through our area late this afternoon. Look for a cooler overnight as the gusty NW winds usher in the cool airmass. Winds should diminish in the night, but windchills will be a factor tomorrow morning. Tomorrow will be cooler but with lots of sunny skies. High temperatures are forecast in the low 60's on Saturday. Another front is expected to move across the area on Sunday which will drive low temperatures into the 20's on Sunday night.

Today: Cloudy this morning with showers until lunch time, then clearing and an expected high near 74°. The S wind at 5-10 mph will shift to the W in the afternoon and may gust up to 20 mph.

Tonight: Look for mostly clear skies, and a low near 40°. Light winds will become N-NW in the night.

Saturday: Sunny with a high near 62° and with calm wind making for a pretty nice day.

Saturday night: Look for mostly clear sky and probably getting down to 41° with calm wind becoming light S-SE.

Sunday: A slight chance of rain in the morning, then sunny in the afternoon with a high near 64°. Winds will shift to the NW in the afternoon at 15-20 m.ph gusting to 30mph.

Ovenight Sunday: Partly cloudy and cold with a low near 29°. Gusty N winds should decrease in the night

It's Friday !

Visitors to the Lampasas Radio Studios this morning

included Coach Nuckles, Coach Napolez, Nate Borchardt and Landon Mulcahy. This is Coach Nuckles 4th year as a Badger this time around, so the kids he coached as freshmen are now seniors. This year's Badger Varsity Basketball team has 6 seniors on the team, and with 13 students on the team that means over half are slated to come back next year.

Nate Borchardt, a junior this year, shared that he has been a varsity player since he was a freshmen (when he was about 5'5"; this year he is listed on the roster at 6"). Landon is a senior who plans on attending Tarleton State College to be an athletic trainer/coach/athletic director

Last night the Boys Varsity Basketball went to Thorndale, and won 87-78. Coach Nuckles liked this game because all 13 players played and all 13 contributed. Nate was the leading scorer last night with 25 points, and Landon was next with 15 points. This left the Badgers with a record of 5-1 on the year. The boys have 11 non-district games scheduled. As Coach Nuckles said "this is a different kind of year", with virus issues sometimes creating havoc with the schedule. Games with Bandera, Blanco and La Vega are a few of the non-district opponents. District play begins January 12th with a scheduled away game at Stephenville.

The Badgers are traveling to Burnet tonight with the freshmen and JV playing at 5:15pm and varsity at 6:30pm. Coach Napolez shared that there is a long rivalry with Burnet, and not many wins. The tickets for tonight's game must be purchased online through the Burnet CISD website.

Tomorrow the boys have 3 games with Lake Belton at Badger Gym with freshmen and JV tipping off at 1pm, varsity at 2pm.

Boil Water Notice

The City of Lampasas has issued a boil water notification at 8:45pm on Thursday, 12/20/220. Due to an 18" water main break. If you have had no water pressure or low water pressure, the city water system requires you to boil your water at a rolling boil for two minutes and cool prior to consumption. When it is no longer necessary to boil the water, a rescind notice will be issued. You may contact City Hall at 512-556-6831 with any questions.

Lampasas Radio reached out to the city this morning, and the boil water notice is still in effect. Test results should be in today and the city will move forward from there.

The Burn Ban is in effect in Lampasas County

121 Year Old Area Church Burns

According to "The DailyTrib.com" in Burnet County, The Texas State Fire Marshal's Office is investigating a blaze that destroyed a historic church in northeast Burnet County during the night Dec. 9. The Bertram Volunteer Fire Department, Oakalla Volunteer Fire Department, and Burnet Volunteer Fire Department responded to a fire at the Mahomet Christian Church in the 10,000 block of FM 243 near the U.S. 183 intersection at about 11pm Wednesday. The church formed around 1851, likely in nearby Sycamore Springs. According to a Texas Historical Commission marker in Mahomet,

Happy Birthday

Lee Hoffpauir

Nicholas Childs-19

the church moved from Sycamore Springs to its current site in 1899, making it one of the oldest continuously operating churches in Burnet County.

The cause of the fire is under investigation. Burnet County has experienced a string of suspicious fires since May. Anyone with information regarding this fire, or previous ones, is asked to contact the Burnet County Sheriff's Office at 512-756-8080 or Hill Country Area Crime Stoppers at 1-866-756-8477 or through its website.

A GoFundMe account has been set up to help the congregation and community rebuild the church.
