Lampasas High School

Teacher Resigns

The following is a copy of the letter sent to parents Friday afternoon regarding a Lampasas High School Teacher.

"Late yesterday, Lampasas ISD learned that a Lampasas High School Teacher engaged in inappropriate texting and communication with a Lampasas High School student. Lampasas ISD responded by immediately contacting the Lampasas Police Department and working with them to begin an immediate investigation. The teacher has been removed from the campus, and the teacher has resigned. The teacher is prohibited from having any contact with Lampasas ISD students or staff and prohibited from entering any district facility.

Lampasas Police Department is actively investigating this issue, and we will cooperate fully with their investigation. While this is a personnel matter, state law limits what information we can share with you, but we wanted you to know as much as we are able to share. We will also refer the matter to the Texas Education Agency for further investigation as well.

Providing our students with a safe environment is our highest priority in Lampasas ISD. Every report made is investigated immediately, the appropriate action is taken, and the outcomes are communicated in a transparent manner. This letter is to make you aware of such an investigation that occurred at the high school campus.

Please know that all Lampasas ISD employees are required to have a background check. Regarding this individual, all background checks were cleared prior to the person starting as a teacher."
