Lampasas Student Receives National FFA Grant

A \$1,000 National FFA SAE grant has been awarded to Neely Miller, (pictured right) daughter of Robert and Sarah Miller, of Lampasas, TX by Farm Credit.

SAE grants are designed to help FFA members create or expand Supervised Agricultural Experience (SAE) projects, a requirement that all FFA members must complete. An SAE requires FFA members to create and operate an agriculture related business, work at an agriculture-related business or conduct an agricultural research experience. Upon completion, FFA members must submit a comprehensive report regarding their career development experience.

Neely breeds rabbits for her SAE project which she sells to 4-H and FFA members to show at junior livestock shows. Neely will be showing her own breeding rabbits she raised herself at the Lampasas County Youth Livestock Show in January. This grant will allow her to upgrade her housing facilities, expand her breeding herd, and purchase supplies for her breeding program.

This year, 32 different sponsors made 39 different types of SAE Grants available. A full list of sponsors can be found on the National FFA Organization website on the SAE Grants webpage.

Neely Miller is a member of the Lampasas FFA Chapter. Her application was selected from among 1,086 applications nationwide. Out of those applications submitted, only two FFA members in the state of Texas were selected to receive an SAE grant.
