The Weather

The High yesterday 47° The Low this morning 34°

Today: A chance of rain in yesterday's forecast has changed to a possibility of drizzle early morning, then just cloudy with a high near 48° today. East wind will be about 5 mph.

Tonight: A 30% chance of rain after midnight, otherwise cloudy with a low around 46° and east wind 5 mph.

Wednesday: A 20% rain chance and morning fog, otherwise cloudy with a high around 70° and south wind 5-10 mph. Overnight the low will be about 59° with south wind 10-15.

The rest of the week: Thursday it will be warm, up to 78° for the high and Friday rain chances may appear for a few days and could get really big Friday night and Saturday, then lesser on Sunday.

Lady Badger Season Ends

What a ride! The Lady Badger Basketball team lost 55-40 in the first round of the playoffs to #4 state-ranked Navasota. That, after starting out the season with only two seniors on the team and with what would appear to most basketball watchers as looking like a rough road ahead.

But, the Lady Badgers, under Coach Mark Myers and with seniors Maci Procter and Erica Rodriquez and some other growing talent, set out to prove themselves worthy.

And that they did, finishing the season 19-18 overall and 6-6 in district to finish in 4th place and earn a place in the bi-district playoffs.

Congratulations and hats off to the Lady Badgers of 2017-18.

Monday Meetings

Lampasas County Commissioners Court met on Monday morning, and moved rather quickly through their agenda items.

The items drawing most discussion and attention came from Sheriff Jess Ramos seeking approval to make grant applications for radio transmission and receiver equipment. These issues were approved. Other items approved by the Court were:

• closure of an unauthorized Credit Card account opened in the name of the County, and authorization for the Sheriff's Department to investigate any criminal activity associated with the account;

• resale of 9 Lampasas County Struck-off Properties (claimed by the Appraisal District for non-payment of taxes). The sale will be conducted at the Appraisal District Office on March 6th, beginning at 10am. A listing of sale properties is available at the appraisal district office and can also be viewed on the Radiogram website.

• authorization for the annual Bloomin' Fest, to be held on Apr. 7th on the Square, to be able to have the courthouse opened for the use of restrooms;

• and a request from Kempner Water Supply to install a 1" waterline to under CR 4810 to supply water to the Cheyenne Mountain Estates subdivision.

One item disapproved by the Court was a request for vendors to sell fireworks between Feb 25th and March 7th to celebrate Texas Independence Day. It was deemed to be too hazardous considering the dry conditions.

Lampasas City Council met last evening at 5:30pm in a workshop session that focused primarily on 2 items. The first was a discussion of the procurement process for the renovation of the Old City Hall. The request recently published had been for 3 separate bid packages; framing, HVAC/electrical, and plumbing. Several contractors had reviewed the site and the bid request, but no bids/quotes were submitted. Lesly Greer of A&L Contractors, at the request of City Manager Finley deGraffenreid, addressed the Council as to why they did not want to submit a bid. They, and other potential bidders, believed the scope presented in the bid request was too broad, and had too many undefined components for them to apply specific costs.

Later in regular session, Council approved the withdrawal of all 3 of the bid requests and authorized the City Manager to investigate alternative processes, likely combining all 3 bid requests into a single sealed bid request for a general contractor.

In the Workshop Session, Council also looked at a request to cover increased costs for Sports Flood Lighting at the 580 Sports Complex Rodeo Arena. They had already approved **$86,000** for lighting. In

The Blotter

Lampasas Police Dept. blotter for Monday showed an arrest at 1:04am where a 43 yr old female was picked up in the 1100 block of E. Ave F on Lampasas Municipal Court warrants for unpaid fines for drug paraphernalia and expired vehicle registration.

There was a minor accident in the 700 block of S. Key at 4:02pm and a disturbance was reported in the 200 block of Riverview Dr. at 9:38pm. **Lampasas Sheriff's Dept.** blotter shows Lometa went out on a medical call. Kempner took a missing person report, cleared a wreck, worked a civil matter and was dispatched out on a disturbance. County Deputies investigated a burglary, went out on an animal complaint, illegal dumping and rolled out to cove to clear a wreck. A 44 Y/O Kempner woman was taken in for multiple possession of a controlled substance charges, unlawfully carrying a weapon, possession of marijuana and possession of drug paraphernalia. A 44 Y/O Cove woman was taken in on an out of county charge.

The Burn Ban in Lampasas and Coryell Co. is on.

regular session, Centerline Services was approved for the work, with installation costs, "not to exceed **$92,000**."

Other actions taken by the Council in regular session included:

- Acceptance of the Annual Police Department report.
- Approval to enter negotiations with Morrison Construction for the construction of the announcers stand and grandstand at the 580 Sports Complex Rodeo Arena.
- Award of quote for CRS-2 Emulsion and MC800TR to Wright Asphalt Company.
- The rejection of all bids for the Ruth Eakin traffic bridge. Two bids had been received to replace the bridge deck. The bids were far more than the $50,000 originally estimated for the project. The Street Department will produce a reduced scope for the project that should bring it in line with the original intent.
- The granting of a Specific Use Permit to allow a "Smoke/Tobacco Shop" in the building at 205 S. Key Avenue. This will be a retail shop for premium cigars and accessories.

What's Happening!

Signups continue in this last week for filing to run for a seat on a School Board or a City Council in the May 5th elections.

Kempner City Council will meet at 6:30pm this evening in City Hall for a public hearing on the subject of designating a reinvestment zone. Afterward, at 7pm, the regular session will begin with a tax abatement resolution, approving the minimum bid on appraisal district auction property, and approving an election contract.

It's Family Night at Hanna Springs Elem.-5:30 to 7pm.

The Badger Band will hold a Chamber Music Recital this evening from 6-8pm at the Band Hall.

Sports

The Lady Badgers Basketball team played an outstanding last 3 quarters against the state ranked #4 Navasota team last night.

Our girls fell behind in the first quarter, then played Navasota tit for tat, in the balance of the game.

Leading the Lady Badgers was Jr. Diane Hurst with 14 points, followed by Jr. Jelicia Magee with 11, freshman Taylor Allen had 7, Jr. Paige Linney 4 and Jr. Kamri Corbin had 3 points.

Expect great things to come from the 2018-19 Lady Badgers as they lose only the two seniors and will come back a seasoned team (8 seniors?) to compete in the new district next year.

Taking nothing away from this year's team, but expressing his confidence in the growth of the team and the future; Coach Mark Myers said, "We will be a lot better next year!"

Happy Birthday Dylan Depew, 16 • Evon Self, 76

Badger Basketball heads to Salado to close out their district play against the Eagles tonight.

The Badger boys will take it to Salado tonight after cinching that number 3 in district position. The only difference tonight's game makes to the Badgers is in their district record and a bit of pride. The Salado team, on the other hand, could stir up the district's outcome for the number 4 spot in the playoffs.

The Badgers have been playing very well in the last couple of games and Coaches hope they keep it up from this point on. The team leadership in points earned and defense changes from one game to the next, proving that they are a team rather than a couple of good players. Tonight's game in Salado is scheduled to kick off at 6:15pm with the freshmen and JV to play at 5pm. The varsity game will be broadcast over KCYL AM with the internet broadcast at lampasasradio.com.

Middle School Basketball saw the 8th grade B team losing 22-47 to Marble Falls in Badger Gym. Tate Rainwater led the team with 6 points, followed by Bryce Elders, Conner Keele and KJ Stephens with 5 each.

Lady Badger Softball will be at Rogers with Varsity at 5pm and the JV at 7pm.

Badger Baseball will scrimmage Brownwood at home this evening with the JV teams on the field at 4:30pm and the Varsity team on at about 7pm.

Badger Soccer sees all teams at Liberty Hill today.
