## Last Day of School Before Easter Holiday

Lampasas ISD students and staff will shut it down for the week this afternoon as Good Friday and the Easter weekend brings a break. On the other hand, there are lots of sports activities for LHS that have students on the road today. Baseball has been moved to Lampasas for today and Softball teams are at Taylor, Boys golf is at Fredericksburg, Track for qualifiers is at the Texas Relays and others are at Llano and the Boys Soccer team is at Copperas Cove for the Bi-District Playoff with Salado.

Organizers for the Diamondback Jubilee and Rodeo in Lometa are busy getting ready for the events which start at the Regional Park on Friday evening and continue thru the Rodeo Dance Saturday night.

## Did You Notice?

In our zeal for athletics events and win-loss records, we hardly noticed the most important win of all for Lampasas High.

### LHS won District in UIL Academics!

In the end, Lampasas took the academic contest totals with 438 points. That, over Salado's 403 and Liberty Hill's 402, Llano's 84 and Burnet's 72, etc.. Yeah-we've got the smartest kids!!

### Reminder to Business Property Owners...

If you don't want to pay a penalty,

Be sure to prepare and deliver a property tax rendition to the Lampasas County Appraisal District Office no later than Monday, April 2<sup>nd</sup> by close of business.

A rendition is a list of the taxable inventory, furniture and fixtures, machinery, equipment and other property owned or managed as of Jan. 1 of each year.

A rendition allows property owners to record their opinion of their property's value and ensures that the appraisal district notifies property owners before changing a recorded value. Exempt property, such as church property or equipment used for farming, is not subject to rendition.

## Cattle Market

It was a very poor day at Lampasas Cattle Auction's weekly sale on Wednesday. The area rain and resultant muddy pastures prevented much activity. Only 159 head were on hand for the sale. That is compared to 452 head last week and 398 on this day last year.

Prices fetched on feeders were steady and slaughter cattle were stronger on the very limited test of the market. (*con't on back*)
